Dear Parent/Guardian

I am delighted to be writing to you for the very first time as Headteacher of Great Wyrley Academy. The school officially came into being on 1 September 2018 and is now part of the family of schools that make up the highly successful Windsor Academy Trust. I am very much looking forward to working with the trust in the coming months and years and the benefits that this relationship will bring to your son / daughter.

Over the summer a lot of remedial work was done in school to improve the school environment. As well as repair work, lots of plastering and painting was done, as well as new carpet throughout the main teaching quad and stairways. This has all taken place to improve the learning environments for your child. I hope they can already see the impact of being in Windsor Academy Trust.

I have been impressed with the start the students have made to the academic year. They look incredibly smart in their new uniform and their behaviour has been exceptional. We have a new behaviour policy which is already having an impact; disruption to learning will not be tolerated and students have responded to this incredibly well. The changes to the school uniform, with a new school badge, new ties representing our new house system and a new PE kit is all part of the new beginning of the school and the sense of pride and belonging I want all students to have to Great Wyrley Academy.

We are at the beginning of a very exciting journey together. All staff, students, parents, governors and indeed people living in the local area should feel proud to have such a fantastic school on their doorstep. I am proud to be the Headteacher and I promise I will be working tirelessly to make Great Wyrley Academy the secondary school of choice for the students and parents in the local vicinity and beyond.

Yours sincerely

Mr I Moreton
Headteacher
