INTRODUCTION

We operate a coach service between Bloxwich and Great Wyrley High School in partnership with Majestic Travel. There are two coaches in operation (subject to change to meet need) and the routes of each are shown below. Coach passes are issued termly and are available for parents to purchase directly from the school.

The journey by coach between home and school is considered an important part of the school day for students as it allows them additional opportunity to interact with their peers and so further develop their social skills. However, the health, safety and well-being of our students and the coach driver is paramount and we consider a positive partnership between the school, parents, students and the coach company as crucial in ensuring this during the journey.
